This weeks round up:

Ms Hartill is organising a big celebration at the end of our Windrush and NHS 70 year anniversary celebrations. On Friday 19th October we will be hosting our Windrush Tea Dance. If your children could dress up on the day to add to the atmosphere that would be fantastic. We would also really appreciate your help by sending in Caribbean food, cakes and sandwiches for our Tea Dance.

At lunchtimes Mr Dusek has been running a table tennis competition over the past few weeks. The competition has created lots of excitement and we have a winner... Watch this space to see who receives the 'GOLDEN BAT'.

Ms Hall has organised our 'Big Draw' event and we hope that you were able to join us.

The Edible Playground should be complete by the end of half term and during the first week there will be a special assembly and workshops for the children.

Pupils in Year 6 have been busy designing a reading shed in the Key Stage 2 playground. This week we went to Brixton Market to collect cushions and material to making the space cosy for reading and a place to relax.

Year 6 visited The Garden Classroom, Wayfinders Adventures in Shoreham Kent. The children took part in a number of activities to build relationships and resilience including fire lighting, gathering wood, shelter building and other activities.

Check out the new 'kids zone' on the school website where you will find lots of things to keep your children entertained.

Don't forget to follow @ReayPrimary on twitter to see what we are getting up to at school.

School Office Reminders

Swimming: If your child's class is going swimming please make sure that they have their swimming kit each week. Swimming is part of your child's curriculum entitlement and the school pays for the children to attend lessons. Please support us by ensuring your child brings their kit each week.

We are always looking for parents to help. If you can spare us anytime to support with reading to gardening please let us know.
