### This weeks round up:

A big thank you to all that attended our 'Big Draw' event last week. A smashing time was had by all, we have some mini picasso's in the making.

Pupils in Year 6 visited the Kia Oval ground to participate in a cricket competition. Unfortunately we did not qualify for the final, but it's the taking part and having fun that counts.

As you are aware your child had their individual photos taken on Monday, you should receive your child's photo soon after half term. When the photographer drops off the photos, he will take photos of anyone who happened to miss it the first time. Please let the office know if your child did not have their photo taken.

Stuck for childcare, look no further than Young People Matter. They will be holding a half term camp in various Lambeth venues. For more information visit [info@youngpeoplematter.org](mailto:info@youngpeoplematter.org) or [www.youngpeoplematter.org](http://www.youngpeoplematter.org) or phone on 0207 274 4503 07891 317 931

Its official we have an award winning environmentally friendly garden as judged by the London Children's Flower Society. Connie and a selection of children had a great time at the ceremony.

We ended off the half term with a special Tea Dance Celebration organised by Ms Hartill to celebrate Windrush and NHS 70 year anniversary. A big thank you to all the parents/carers that contributed to the day by bringing in a selection of food and drink. A **special** thank you to Rowan's (YR) grandma that came in to do a special NHS talk with Reception class and Jasmina's (YR) mum that came in to show the children dancehall dancing.

Finally we would like to wish everyone a wonderful half term. The last 6 weeks have flown by and we look forward to another exciting term.
