@ReayPrimary

This weeks round up:

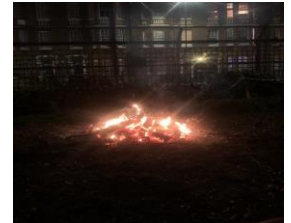

Reception class had a friendly friend join them for one afternoon to help them with pet week. Say hello to Banjo the dog and his sidekick Patrick who taught us the right way to look after our pets.

We had a very important visit from two members of the Police force who gave an interactive assembly to KS1 and KS2. They shared some helpful safety tips and the children even got an opportunity to try out using some police equipment. Who wants to be a police officer when they grow up?

Year 3 went back in time and took a trip on HMT Empire Windrush and shared their experience with us in their class assembly.

Bonfire night went off with a blast. A banging time was had by all. Much appreciation to all the helpers. An evening of fun, food and flames.

We held a phonics workshop for parents hosted by our Reception and literacy co-ordinator Lucy Coates. Keep your eyes open for more events taking place in school. We like to keep the parents involved.

Letters for the annual Christmas outings have started to be sent out. Children will either be going to the theatre or a picture house as a treat. A big thank you to Friends of Reay who helped to subsidise the cost with money raised at events.

Be on lookout for Christmas Show tickets going on sale from the office soon. The Infants will be giving a giant performance of Jack and the Beanstalk while the Juniors will be showcasing a fantastic adaptation of Scheherazade.
