This weeks round up:

We had a visit from two members of Kinetika Bloco who gave drumming workshops to Y4 and Y5. They shared some helpful tips and the children even got an opportunity to have a go. Check out Twitter to see our future rock stars.

We have noticed that there are some children not wearing the correct school uniform and PE kit. Please could you make sure that your child/ren comes to school everyday dresses smartly and correctly. You can find a copy of the school uniform requirements on the school website or pick one up from the office.

Swimming is part of the national curriculum. Children from Y2 upwards participate in swimming lessons at Brixton Recreation Centre on Monday and Tuesday afternoons. (Classes vary throughout the academic year). Last year more and more children were not participating in lessons; unless you have a note from the GP excusing you from the lesson ALL children are expected to take part. A Swim Kit should consist of: a swim costume, goggles, swim hat and towel.

What you can do

- 1) Come to our market each week (starting 22nd January) and pay what you feel you can afford or what you feel the food is worth. It will be an anonymous payment system.
- 2) Start collecting jars and containers – some of the food will come in large, catering packs which we will divide up into the containers you bring along to the market.
- 3) FareShare rely on volunteers. They are based in Deptford and are always seeking new volunteers to work in the warehouse/office or drive “multi and single drop routes” across London. This is a really good way to gain experience and they offer travel expenses, free lunch, references after 3 months regular volunteering and accreditation for Food Safety Level 2 as well as forklift training.
