@ReayPrimary

This weeks round up:

You will have seen that work has begun to develop areas around the school site. The Edible Playground project is well underway with the team hoping to complete the work by the first week in November. The plans can be found in the notice board under the shelter.

We are continuing with English lessons for adults, so if you or a friend would like to improve your written and/or spoken English please email

luisa.ribeiro@reay.lambeth.sch.uk or ask at the school office for further information.

The sessions are run on a Monday and Tuesday morning in the studio.

The Friends of Reay are continuing to look at ways of building the parent community. They will be holding monthly coffee mornings in the studio. The idea is to turn up and meet other parents. The next coffee morning will be held on Friday 19th October in the studio after drop off. Last week the Macmillan coffee morning raised £212 for the charity. Thank you for your support!

Schools meals update: Harrisons continue to provide high quality meals for the staff and children. We have been celebrating British Food fortnight.

The Governing Body met with Mr Marley this week for a Spanish lesson. Mr Marley demonstrated to the Governors how we teach language through Art in Key Stage 2. The CLIL (content language integrated learning) approach is aimed at developing languages skills in a more meaningful approach. We hope your child's confidence and understanding will continue to grow.

Thank you to the parents who were able to complete the survey last term. I have now looked at your feedback and comments with the Governing Body and we are working to address any concerns.

Our new school website is now up and running and should be your first port of call for up and coming events. You should have also received the term dates and key dates for the academic year.

Don't forget to follow @ReayPrimary on twitter to see what we are getting up to at school.

School Office Reminders

Emergency Contact: Please could you make sure that you have completed one for each child and returned the form to the school office or your child's teacher ASAP. Please still complete even if all information has not changed.

School Lunches: Please note that lunches currently cost £11.50/week. This needs to be paid for in advance. Any accounts that go into significant arrears will be stopped and packed lunches will need to be provided. If you think that you may be entitled to Free School Meals then please inform the office.

We are always looking for parents to help. If you can spare us anytime to support with reading to gardening please let us know.
