

THERE'S NO FULL STOP TO LEARNING

12th March 2021

Dear Parents/carers,

Woohy – We're back. Thank you so much for doing a fabulous job with the online learning. I know how hard it has been, juggling online learning, working from home and the million other things you have to do. You may now breathe.

I would also like to thank the Reay staff who took to online lesson like a duck to water. They do not fail to impress me with the care and dedication they put in for your child's education and their welfare.

We hope schools will not need to closed again but it does mean we need to be vigilant with the children's bubbles. Thank you so much to those of you who have been accommodating and understanding about not dropping off siblings early. Please could you also make sure that you are on time to pick up your child and lined up socially distanced.

Year group	Start	Finish	Entrance/exit
Nursery	9.00	3.00	Nursery gate
Reception	9.00	3.00	Black gates
Year 1	8.50	3.10	Black gates
Year 2	8.50	3.10	Green door
Year 3	8.40	2.55	Black gates
Year 4	8.40	2.55	Green door
Year 5	8.30	2.45	Black gates
Year 6	8.30	2.45	Green door

Young people matter is back running After School Club, your child can attend until 6pm. If there is enough demand for breakfast club then they may bring this back. If you would like any more information then please contact them on 0207 274 4503 or <http://www.youngpeoplematter.org/>

We are pleased to have In Harmony back for live lessons. They provide top quality music teaching for Year 3-Year 6.

Moving Matters are a specialised group of P.E teachers and they are in school providing lessons for Year 3-Year 6.

P.E will be outdoors or in the case of wet weather it will be in the studio. Please provide your child with a pair of leggings or jogging bottoms on their P.E days.

9 new children have joined Nursery. The Nursery team are delighted with the start these children have made and how friendly the rest of the Nursery have been. Also, a really big well done to Nursery parents ordinarily you'd be welcomed into the setting, yet unfortunately these are not ordinary times. Thank you for your understanding.

If you or your child are showing symptoms of Covid (High temperature, a new continuous cough, a loss or change to your sense of smell or taste) Please contact the school office, and keep your child at home and arrange for a test. Reay staff are taking Lateral flow tests twice a week to ensure we aren't spreading Covid.

Walking around school there is a buzz of busy learning and it is like they've never been away. Your children are fabulous and have dealt with the pandemic with aplomb. I'm sure some times in the last few weeks temper tantrums may have been happening (don't worry if you had one too!) Hopefully emotions will settle now that we're back, but if you feel that you or your child hasn't coped and would like some support please let us know and we will help.

Thank you for being the Reay community we've missed you too.

Ms Kate Hartill
Deputy Headteacher
