

Friday 3rd July 2026

Dear Parents and Carers,

I would like to invite you to the postponed parent/governor meeting next Thursday 9th July, at 9.00 a.m.

In the wake of the unplanned closure because of the extreme weather last week, we have put together two new policies - an Emergency Closure Policy, and a Hot Weather Policy. They are both on the school website for you to read and consider, and there will be the chance to comment on them at the meeting.

We are also in the process of putting together a short and long-term action plan which doesn't just cover the building's needs at this time of climate change, but general improvements. I hope I might be able to put a draft of this on the website before next Thursday too.

I hope to see a lot of you next Thursday.

Yours sincerely

M. Peacock

Margaret Peacock
Chair of Governors, Reay Primary School
