

THERE'S NO FULL STOP TO LEARNING

YEAR 3 NEWSLETTER – SUMMER 1

Dear Parents and Carers,

I hope you all had a great break. The Summer Term is always brilliant as it is so full of exciting things to do and learn. I hope you are all looking forward to it as much as we are.

Topic:

Our topic this term will be Ancient Greeks. We shall be studying Medusa's curse by A.J Hunter. It is an epic tale of heroism and bravery – if you are looking for something to read at home, this would be a great idea and I am sure local libraries will have copies.

PE:

PE is on Wednesdays and Thursdays - please ensure your child has a named, school PE kit and brings it to school on these days. We are going to be dancing on Wednesday and Thursday will be cricket with moving matter.

Homework:

CREATIVE HOMEWORK: Please find the creative homework ideas attached. Please bring projects in on the week beginning Monday 18th May. I LOVED seeing all of the homework projects produced for the Victorians– thank you so much!

SPELLINGS: There are weekly spellings to learn. Spellings will go home on a **Friday** and will be tested every **Friday**.

MATHS: Math arithmetic test and reasoning test will continue to be sent home as part of the spellings packs. They are to consolidate the learning we have been doing and shouldn't take too long.

TIMES TABLES: please practise the 6x,7x and 8x times table for five minutes a day. They have IXL to support them in their times table and hit the button.

READING: Please hear your child read for 10-15minutes each day.

What to bring in Year 3:

Please **do not** bring personal belongings such as pencil cases, money or toys as these items are often lost or broken at school.
