

**THERE'S
NO
FULL STOP
TO LEARNING**

YEAR 6 NEWSLETTER – SPRING 1

Dear Parents and Carers,

I hope you have had a relaxing break. We have been getting ready for the upcoming term, and we are looking forward to what promises to be an exciting year.

This term our **topic** is **The Aztecs**. We will be finding out where the Aztec people lived, how they lived, and learning about different aspects of their culture and beliefs. Our homework project for this term will be focused on this topic; please see overleaf for a list of useful websites and ideas to help your children complete their work.

Our **science** topic is **Animals Including Humans**, in which we will be studying the human body and how it is affected by diet and lifestyle. In Maths we will be studying ratio and proportion, measurement and geometry.

There will be **weekly spellings** to learn. Spellings will go home on a **Monday** in their spelling books. Use Look, cover, write and check to help your children learn these!

Please make sure your child reads regularly. Ask your child questions to check their understanding of what they have read, see if they can make predictions about the story and understand character motives and feelings. This is especially important in Year 6, as the children will be tested on this knowledge in their SATs exams; we will be reading in class in guided reading groups during the week, and completing a reading comprehension once a week.

PE is on **Thursday and Friday**- please ensure your child has a fully **labelled** PE kit and brings it to school on these days as this is an invaluable lesson. We are lucky that our PE lessons on Fridays will be overseen by the excellent folks at Moving Matters, which the children should enjoy!

Kind regards,
Chris Marley and Natasha Harriott

Literacy	<p>Write a diary from the point of view of one of the Aztec</p> <p>Write an advertisement for an Aztec job (Like chopping off heads? Become a priest!)</p> <p>Write a newspaper report on the arrival of the conquistadores</p> <p>Write your own Aztec myth (talk about the Underworld!)</p>
Maths	<p>Create a recipe for Aztec food- spiced hot chocolate or guacamole</p> <p>Create a scale drawing of a Aztec temple</p> <p>Write about the Aztec Base 20 number system</p>
Science	<p>Experiment: how would your body cope with an Aztec diet?</p> <p>Disease: learn about how common European illnesses such as the common cold killed millions of people in the Americas</p>
Art	<p>Create a mural in the style of Diego Rivera</p> <p>http://www.latimes.com/entertainment/arts/la-ca-cm-diego-rivera-bowers-20151206-story.html</p> <p>Write your name using Aztec figures</p> <p>http://www.paleoaliens.com/event/Aztec_glyphs/</p>
D.T	<p>Create your own Aztec temple</p> <p>Design a Aztec costume or headdress</p> <p>Create a Aztec pattern on fabric using ink</p> <p>Design your own Aztec calendar</p> <p>Create your own Aztec mask from clay</p>
Comp.	<p>Build an Aztec temple in Minecraft!</p> <p>Design a scratch game based on the Aztec (trying not to get head chopped off? Hunting a jaguar? Flappy Quetzal?)</p>
